REFUNDS, RETURNS, WARRANTY AND CANCELLATION POLICIES

This Policy applies to all customers and transactions, unless superseded by a signed written agreement including specific returned good terms and conditions. We reserve the right to reject any return that does not comply with the terms of this Policy.

Product Returns by the Federal Government – Return Goods pricing for products returned by the Federal Government (under PHS or FSS pricing) when returned either through a wholesaler or directly, will receive credit at full invoice price for such product on the day it is received at EuroAmerican IP or manufacturer. Product sold to any government stockpile program will not be accepted for return.

30 DAY WARRANTY: Product may be returned for any item that has been shipped in error or found defective. Damaged items will require the appropriate inspection and/or documentation that would allow EuroAmerican IP, LLC or manufacturer to file the appropriate claim with the carrier. (All other returns may be subject to a restocking fee as listed below).

All returns require a Returned Goods Authorization (RGA). Goods received without prior authorization will be subject to review and credit may be denied. You may obtain an RGA by calling 1.866.972.6467 or emailing to: Info@EuroAmericanProducts.com. The RGA Number is valid for 60 days after issuance. All efforts will be made to assist you in meeting the 60-day requirement. Should you decide to keep your product after obtaining RGA authorization, please advise us by calling the number listed above. We will gladly cancel your authorization.

When returning product that is not defective, damaged, or a EuroAmerican IP or manufacturer shipping error, the following terms and conditions apply, (a) items must be received in unopened cases with original packaging intact, (b) items with “piggyback labels” will not be accepted (these fall into the made to order category), (c) items not in salable condition due to improper storage, spoilage, or damaged packaging are not returnable. In the event the products arrive in damaged condition, a credit will be issued upon return and receipt of merchandise at our location. Returns that are not for defect damage or error will be subject to the following restocking amounts, based on the date of the original invoice:

<u>Return from Date of Invoice</u>	<u>Re-Stocking Fee as a % of the Invoice Amount</u>
0 - 30 Days	5% + Freight
31 - 60 Days	10% + Freight
61 - 120 Days	20% + Freight
121 Days or Greater	Not Returnable

Should you need assistance in scheduling a pick up, we can provide you with the appropriate Call Tags or Bill of Lading. Your RGA Authorization will be provided with instructions on contacting the carrier, costs relating to freight and/or restocking fees as applicable to returns that are not for defect, damage, or error only. These fees will be deducted from the credit issued. All quality issues, damaged product or returns that are the result of a EuroAmerican IP, LLC or manufacturer error, will be returned at our expense.
