

# B-SURE®

## Absorbent Pads

For light Accidental Bowel Leakage (ABL)

Soft. Comfortable. Discreet.

### Applies easily. Stays in place.

B-Sure® Absorbent Pads are a thin and highly absorbent alternative for your patients that provides a simple and effective solution to light accidental bowel leakage and allows them to confidently maintain their active lifestyles.

#### Unique Features:

- Unique winged design allows the self-retaining pad to apply easily and stay in place without the need for tape, adhesive or binder
- Absorbs 13 times its weight in water
- Excellent for applying topical skin protectants such as zinc oxide
- Excellent for use as post-surgical anoperineal dressing
