EuroAmerican IP, LLC: WARRANTY AMENDED FOR GOVERNMENT USE

The contractor accepts the government warranty clauses 52.212-4 (o), and 52.212-4 (p)

The following paragraphs supplement, but do not supersede, the Government Warranty and Limitations of Liability provision as set forth in 52.212-4 (o) and 52.212-4 (p) and commercial warranty.

52.212-4 (o) Warranty:

The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract. In the event that the terms of the contractor's standard commercial warranty conflict with the warranty terms contained in this clause, the terms of this clause will govern this contract, unless some other resolution is specified in the award document.

52.212-4 (p) Limitation of Liability:

Except as otherwise provided by an express warranty, the contractor will not be liable to the Government in a breach of warranty action for consequential damages resulting from any defect or deficiencies in accepted items. In the event that the terms of the contractor's standard commercial warranty/limitation of liability clause(s) place greater limits on the contractor's liability than do the terms contained in this clause, the terms of this clause will govern the contract.

Our products have a 100% Warranty Guarantee and are fully refundable within the first 30 days from the date of purchase inspection and acceptance or the manufacturer warranty, whichever is greater. Your original method of payment will be refunded at full invoice paid credited within 72 hours of receipt of return, less shipping.
