

Extra Strength
Burn-B Gone®
For Burns, Scars, Sunburns, Cuts & Abrasions

Burn B Gone® for Burns, Scars & Wounds is so powerful it used by the U.S. Military and V.A. Hospitals. **Burn-B Gone®** is also used by Beverly Hills Plastic Surgery Centers, Laser Skin Resurfacing and Hair Removal Clinics, Hospitals, Dermatologists and Podiatrists. This Advanced Hydrophilic Gel Formula helps to soothe and revitalizes Traumatized skin and dramatically improves scars like no other product in the World!

Application of **Burn-B Gone®** helps break down existing Hypertrophic & Keloid scar tissue and provides an ideal healing environment for skin recovery. It provides a protective barrier over injured skin to promote faster healing and helps to prevent new scars from forming. Even severe sunburns can be healed instantaneously with only a couple of applications of **Burn-B Gone®**. It saves you from the pain and discomfort often associated with sunburns as well as dramatically improving skin texture, elasticity and color. **Burn-B Gone®** helps to blend dark or light skin discoloration, age spots and abnormalities with continued use.

Single Use 3.5g
 Medical Grade Foil Packets

DeWitt Laboratories, Inc., has produced high quality burn and scar relief products in the United States since 1999. We have worked diligently over 10 years with surgeons and pharmacologists to develop the patented **Burn-B Gone®** Burn, Scar and Wound Hydrophilic Gel Formula which works like no other product in the world to soothe and revitalize burned or traumatized skin.

We at DeWitt Laboratories, Inc., pride ourselves in using only the finest ingredients available to ensure our customers' utmost satisfaction. We put our products through 3 levels of quality control before they are individually packed into special Air Cell protective containers for 12-pack and case-pack (72 tubes) shipments.
